Dear Friends

This afternoon of Prayer and Reflection is an invitation for us to deepen our awareness and response to those in our families and in our neighbourhood who have dementia. The increasing number of people who have Dementia affects us all in different ways. You may be a family member, a parishioner, a health worker or simply someone wishing to spend time away from life's hustle and bustle - you will be most welcome to come and spend some time together to reflect on the theme of the Day - "*His Mercy is from age to age.*"

These words taken from Luke's gospel spoken by Mary as she greeted her cousin Elizabeth are chosen because of our experience of the bond that exists between the generations. The simple piece of art on the poster seeks to express this bond between the young and the elderly.

We are delighted that several contributors on the day are representatives of local initiatives supporting the elderly people in the community. We are also delighted that Bishop David McGough will be with us for most of the afternoon, and that pupils from St Peter's School will be joining in the celebration and leading the music for the Prayer Service. The afternoon will commence at 2pm, and end around 5.30pm.

This will be followed by the Pastoral Care Project's AGM for those who wish to stay on for an overview of the charitable work, especially the new HeARTS and Minds programme created with young people to encourage them to visit the elderly in the community in a pastoral capacity.

We do hope that you are able to come along, even for part of the afternoon and to be refreshed by the Lord. May we ask you to include this event in your prayers and should you be unable to come but would like to send a prayer intention please use the 'prayer intention' at the bottom of this letter and send to the Pastoral Care Project, St George's House, Gerards Way, Coleshill B46 3FG.

We look forward to welcoming you and to all the blessings to come on this special day.

Best wishes

Frances Molloy and Fr. Dominic Kavanagh
