

## FAMILIAS Friends' Events 2015

### “We need to talk about Young Suicide”

This year FAMILIAS is hosting a series of 4 events across England and Wales, each providing an introduction to the work of national charity, POPYRUS, Prevention of Young Suicide.

Suicide is a leading cause of death among our young people. POPYRUS seeks to work with communities across the UK to tackle the stigma that surrounds suicide and to promote mental health and wellbeing among young people and those who care for and work with young people. We are delighted to welcome Ged Flynn, POPYRUS Chief Executive, who will help participants to:

- examine our attitudes to and beliefs about suicide
- explore what causes stigma around suicide
- increase awareness of the scale of young suicidal ideation and behaviours
- develop knowledge, skills, and attitudes which may help prevent young suicide
- think about developing local responses in our own dioceses, parishes, schools, communities, networks and organisations to help to **#saveyounglives**

**Entry:** free for FAMILIAS members, associates and friends; others £10 donation

**NB** Booking is essential – please contact the local coordinator for each event

*All events run from 10.00 for 10.30 until 3.30 with a light lunch provided*
